

enjoy their time off from work do not burn at weekends or bank holidays. Remember, bonfires are dangerous, never leave them unattended. Do not even leave them when they are smouldering douse them with water if necessary. How can I dispose of waste without having a bonfire? Many areas of the City now benefit from a fortnightly Green Garden Waste collection service. For further details of this service please contact the Birmingham Hotline on 0121 303 1112. Most garden and kitchen waste can be recycled into compost. A compost bin will produce a useful soil conditioner. Woody waste can be shredded to make it suitable for composting and mulching. Garden waste is collected for composting at City Council Public Waste Disposal Sites at Norris Way, Sutton Coldfield; Holford Drive, Perry Barr; James Road, Tyseley; Tameside Drive, Castle Bromwich and Lifford Lane, Kings Health. Paper and cardboard is collected in some areas of the city, see our page on Paper Round Kerbside Collection Service webpage for more information. Who can I contact to complain about bonfires? You can use our Online form to report matters. Warning: Look out for hedgehogs in bonfires!<|end\_of\_text|>This is
